

What will you do with your life when you can

**Live for 200 years or more**

**and be healthy and happy**

## Well, Start Planning Now!

This month you can start to become an immortal by attending a unique series of classes taught by a leading journalist and researcher. This class is based on newly discovered and astonishing scientific facts about the mysterious energies behind physical life. Each class will combine this scientific knowledge with practical spiritual and psychological techniques to help you attain added years of life plus the confidence needed to do and become anything you desire. YOU CAN HAVE ALL THE TIME YOU NEED TO LEARN, DO AND BE ANYTHING!

## Physical Immortality Is Here!

This program is designed for young people, middle-aged and seniors. Its science finds confirmation in the Bible, Alchemy, Yoga and the Secret Fire contained in Breath, Earth and Water. Even the legend of Harry Potter and The Philosopher's Stone becomes clear!

Class Taught By Art Kunkin  
(Now 80 Years Old)

Art Kunkin lives in Joshua Tree, California and is on the Advisory Board of the Joshua Tree Retreat Center. He was President of the Philosophical Research Society in Los Angeles after the passing of Manly Palmer Hall and is a former Professor of Journalism at the Northridge campus of California State University. He has edited many publications including The Los Angeles Free Press (since 1964), Whole Life Times, The Realist, Ancient Wisdom for Modern Living and Essentia (an alchemical magazine produced by Paracelsus College). Art has studied meditation and spirituality for more than 40 years with Tibetan Buddhists, Islamic Sufis, Hindu Yogis, Jewish Kabbalists, Gurdjieff groups, Hawaiian Kahunas, Christian Mystics and The Institute of Mentalphysics in Joshua Tree. He is a graduate of the seven year alchemy apprenticeship course at the Paracelsus Research Society in Salt Lake City.
